

Motion # 1

Members of Barrhaven Scottish Rugby Football Club motion to adopt a refreshed crest as the official crest of the Club.

Current Text	Proposed Amended Text
<p>APPENDIX A - CLUB LOGO</p>  The current logo is a shield-shaped crest. The top portion is a horizontal band divided into three sections: a red section on the left, a white section in the center containing a red maple leaf, and a red section on the right. The bottom portion of the shield is yellow and features a red rampant lion. A yellow ribbon scrolls across the bottom of the shield with the text "Barrhaven Scottish RFC" in black.	<p>APPENDIX A - CLUB LOGO CREST LOGO</p>  The proposed amended logo is identical in design to the current logo, featuring a shield with a red maple leaf in a white band at the top, a red rampant lion on a yellow background below, and a yellow ribbon at the bottom with the text "BARRHAVEN SCOTTISH RFC" in black.

Motion to change Bylaw 13.3 and request to approve the following crest changes as per Bylaw 13.4:

1. Section 13.3 of the Club Bylaws states:

13.3 The Club will recognize one crest **which represents the sole approved crest to be worn on all club match uniforms (Jerseys and Shorts)**. The official crest is used on all correspondence, letterhead, **social media** and the website. ~~(the standard shield design with rampart lion and stylized Canadian flag and banner with Club name)~~ **The official crest description and colours are detailed in Appendix A** and affixed to this document. **The Club Executive may, from time to time, approve unofficial design variations for use on merchandise offerings.**

2. Over the years, the quality of the copy of the original crest has continued to degrade on duplication. In 2025, Club members offered to refresh the crest and, in the process, made modifications. Section 13.4 of the Bylaws requires membership approval of any alteration to the official Club Crest.

13.4 Any changes in Club colours and crest must be proposed at an Annual General Meeting. The request for changes in colours and/or crest must be made in writing to the Executive, and it will be at their discretion whether the motion should be presented at the next Annual General Meeting, in the order of business. Changes shall only be made by a two-thirds (2/3) majority of the voting members present.

The **Barrhaven Scottish Rugby Football Club (BSRFC)** official crest has been used since 2004 and is well-recognized across Ontario and throughout Canada. The simplicity of the crest's bright, vibrant colours evokes energy and passion among our rugby players.

At the top, the proportions of the Canadian National flag were enlarged to show our alliance and dedication to our incredible country and inclusive sport.

The Lion Rampant from the Royal Banner of Scotland is at the heart of the crest, and displays the origins of our club and connection to our Scottish roots.

On the lower banner, the club name is emblazoned in uppercase to ensure it is clearly readable across various manufacturing and printing processes.
